“3 Nights @ 333 Tremont” – A New Year’s Fundraiser for the BCCA

Dedicated to art, technology, and education, the Boston Community Circle for Arts (BCCA, Inc.) is hosting its debut event, a **“3 Nights @ 333 Tremont”**, kicking off with a New Year’s Eve celebratory fundraiser, followed by two consecutive nights of festivities.

Start your New Year right and make your 1st Night a 3-Night! Be a part of launching a new arts center in the heart of Boston’s Theatre District, adjacent to the recently re-developed Eliot Norton Park. Experience an array of multicultural music, dance, martial arts, theatre, and visual art. Dance to disco, funk, house, ballroom, Latin, and jazz, enjoying a full sensory immersion of sight, sound, taste, and texture, throughout the holiday weekend.

This is an exciting introduction to the many types of classes, workshops, events, performing arts, multimedia and technology, and other forms of expression for all ages and abilities. Join the BCCA faculty and staff in creating a home for the arts. Your presence and contribution will further empower us in the growing movement to revitalize Boston’s cultural landscape.
